2017 Year in Review

It was a busy year for CCA and Downtown, and we're taking the opportunity to update our members on the many policies, programs and projects that we were engaged in in 2017, and will continue to be involved with in 2018. This will be a great chance to learn about the changes that will be shaping Downtown in the years to come, and how CCA is advocating to make the most of them. Updates will include the bike parking ordinance update, Metro projects like the Regional Connector and Arts District station, a tax-increment finance study for Downtown, car-share parking permits, disabled parking placard reform, updates to the Transportation Demand Management ordinance and implementation of SB 743, a potential 2018 parcel tax for water quality and storm water capture, and much more.

Special Guest: Shane Phillips, CCA

MyFigueroa Streetscape Project Update

The MyFigueroa Streetscape project, started in late 2016, is currently implementing bicycle, pedestrian, and transit improvements along Figueroa from 7th Street to USC, as well as 11th Street in Downtown and MLK Jr Blvd in South LA. Hear from LADOT's project manager about the latest update, including lessons learned and a timeline for project completion.

Special Guest: Mat Talag, LADOT

BlueLA Electric Vehicle Car-Share

Following up on their brief appearance at November's committee meeting, Mitch and Jose from BlueLA will be providing additional details on the company that is partnering with the city to provide EV car-share services in and
